**Computer Science Pre-Major & Supporting Coursework**

Overall Requirement Not Satisfied: Computer Science Pre-Major & Supporting Coursework

**Computer Science Pre-Major**

Overall Requirement Not Satisfied: Courses used to fulfill this requirement may also be used to fulfill other requirements.

Due to the dynamic nature of the field of computer science, it is recommended that students see their advisor each semester. Prospective TRANSFER STUDENTS are highly advised to talk to UA advisor well in advance of their planned transfer in order to ensure that they are taking advantage of all possible transfer course options. This will help enable a smooth transition to the UA and a timely graduation.

Admission to the Computer Science major is competitive. Selections for major admission are made prior to the beginning of each fall and spring semester after final grades are posted for the previous semester. Students will remain in pre-Computer Science standing until they meet major admission requirements and are formally admitted to the major.
In order to guarantee admission to the major, a student must have:
- a cumulative UA GPA of 2.4 or higher
- GPA of 3.0 or higher in best attempts at CSC 120, 245 (or MATH 243 or MATH 323), & 210 taken at the UA or elsewhere
- GPA of 2.0 or higher in all attempts at CSC courses (excluding GRO 1st attempts) taken at the UA
- at least two programming courses completed at the UA

Students who do not qualify for automatic admission should contact a department advisor.

A note about General Education Requirements:
The General Education requirements differ for the Computer Science BA and the Computer Science BS. While you are declared in the Computer Science Pre-Major you will see all possible General Education requirements. However, once admitted and declared in to either the BA or BS majors your General Education requirements will adjust accordingly. The General Education requirements for each degree are listed below. Please contact your Computer Science Academic Advisor if you have any questions regarding the General Education requirements:
